## POLYESTER FILM GLASS FILAMENT TAPE

**Product Code: BT888**

**Description :** Filament tape, commonly known as strapping tape or packing tape, is characterized by its reinforced cross-weave backings that render heavy-duty strapping and bundling performance. Filament strapping tapes provide strong and flexible holding power you can rely on.

**Features/benefits :** The high-performance filament tape is waterproof, weatherproof, non-aging, and resistant to many chemicals. Best applied with a hand dispenser, the tape can be cleanly removed after application without any residue. Deanfeit filament and strapping tapes are suitable for many applications including:

**Application :**

- Transport securing; securing pallets
- Securing loose parts during delivery or storage of electric devices (washing machines, fridge, freezers, dishwashers)
- Protection of edges
- Reinforcing plastic elements
- Packaging heavy and bulky cardboard boxes
- Sealing hazardous materials
- Bundling heavy objects
- Bundling and palletizing
- Heavy-duty carton sealing

Technical Details :	<u>PROPERTIES</u>	<u>UNIT</u>	<u>SPECIFICATION</u>
	TOTAL THICKNESS	mm	0.15
	TENSILE STRENGTH	kg/25mm	100
	ELONGATION	%	5
	ADHESION TO STEEL	kg/25mm	1.6
	DIELECTRIC BREAKDOWN	kV	5
	HOLDING POWER	mm	3

**Test Method :** In accordance with ASTM D-1000 method

**Shelf Life :** 6 months when storage at 23°C and 65% relative humidity

**Availability :** Standard 30M roll, 3" core, width 980mm

### **Important Notice to Purchase**

All Statements, technical information and recommendations contained herein are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed and the following is made in lieu of all warranties, express or implied: Seller's and manufacturer's only obligation shall be to replace such quantity of the product of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury loss or damage direct or consequential arising out of the use of or the inability to use the product. Before using users shall determine the suitability of the product for their intended uses and users assume all risk and liability whatsoever in connection there with.

No statement or recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of Seller and manufacturer.
